Artikelbeschreibung

Wine Advocate Lisa Perrotti Brown im Oktober 2014: "A blend of 54% Cabernet Sauvignon and 46% Shiraz made with fruit from Wrattenbully, Barossa, McLaren Vale, Langhorne Creek and Robe that was aged 12 months in American oak hogsheads, 40% of which were new, the deep garnet-purple colored 2012 Bin 389 Cabernet Shiraz is slightly closed with the Cabernet / cassis leading the nose marked by warm red and black plums, Mediterranean herbs, pepper and cedar. In the mouth notes of vanilla and cedar wrap around the warm black fruit core that is framed by firm, chewy tannins and just enough acid. It finishes long. "
